LET'S GROW TOMORROW, TOGETHER

We're making it easier to make tomorrow brighter. In partnership with the Arbor Day Foundation, PECO is proud to introduce a tree distribution program beginning March 17, 2025.

Our partnership helps get the right trees in the right place, so they can do the most good for your community. Each tree you plant:

- Reduces energy consumption up to 20%
- Cleans water by reducing stormwater runoff
- Improves mental health
- Creates cleaner, more breathable air

Reserve your free tree starting on
March 17, 2025.
